

Subject: An Appeal: Duty Officer Program Assistance Needed

Dear American Legion Member,

I hope this message finds you well. I am reaching out to you with a plea for assistance with our Duty Officer program. As a valued member of our American Legion community, your support is crucial in helping us maintain the integrity and effectiveness of this program.

We are currently seeking volunteers to sign up for one or two days a month, committing to a four-hour shift as a Duty Officer. Your involvement would make a significant difference in ensuring the smooth operation of our programs and services.

By taking on this responsibility, you will not only be contributing to the well-being of our organization but also to the welfare of our fellow members and community at large. Your dedication and commitment are truly appreciated, and your participation will help us continue to uphold the values and mission of the American Legion.

Please consider lending your support to this important initiative. Your willingness to serve in this capacity will be immensely beneficial to our organization. If you can volunteer or have any questions about the program, please don't hesitate to contact me directly. The training is simple.

If you are interested in making a difference in our community please respond to my email address below.

Thank you for your time and consideration. Together, we can make a difference in the lives of our members and community.

Warm regards,

Dan Pruett
